Profile

An enthusiastic and self-motivated Computer Applications student with a passion for front-end development, personal productivity tools, and user-focused design. Known for leadership and social involvement, I am always eager to take initiative, learn new technologies, and contribute to collaborative projects that make an impact.

Objective

Motivated fresher seeking a challenging role in the IT industry to apply my technical knowledge and problem-solving abilities. I aim to grow professionally while contributing to real-world solutions in a team-oriented, learning-driven environment.

Education

Master of Computer Applications (MCA)	Present
Guru Nanak Institute of Management Studies, Mumbai	
Bachelor of Science in Information Technology (Grade: A)	Jun 2020 – May 2023
DG Ruparel College of Arts, Science and Commerce, Mumbai	

Technical Skills

- **Languages & Tools:** SQL, Python, Core Java, HTML, CSS, JavaScript
- **Frameworks:** Streamlit, Bootstrap
- **Databases:** MySQL
- **Version Control:** Git, GitHub

Projects

AI-Powered Resume Screening System Apr 2025
A Streamlit-based AI web application that compares resumes with job descriptions using NLP. It shows match percentages and highlights which resume fits better.

- **What I learned:** NLP preprocessing, cosine similarity, Streamlit deployment
- **Tech Stack:** Python, NLTK, Scikit-learn, Streamlit, Matplotlib

My Portfolio Website Jul 2025
Developed a responsive personal website to showcase projects, resume, and contact info. Features an interactive UI and modern layout.

Live Demo: yourportfolio.live

- **What I learned:** Responsive design, UI/UX practices, web publishing
- **Tech Stack:** HTML, CSS, JavaScript, GitHub Pages

Smart To-Do List & Calculator App 2025
Created two productivity tools — a smart to-do list with reminder support and a calculator app with clean UI.

- **What I learned:** DOM manipulation, local storage, task organization logic
- **Tech Stack:** JavaScript, HTML, CSS

Certifications

- **Data Analytics** – Cloud Counselage Pvt. Ltd.
Credential ID: IAC-IT4-230627 Jul 2023
- **GitHub Essentials** – Cloud Counselage Pvt. Ltd.
Credential ID: IAC-IT8-230588 Jul 2023

Extra-Curricular Activities

- Served as **Web Technology Lead** for Tech Chanakya Fest, managing website updates and guiding junior participants
- Participated in **Titwala Tree Plantation Drive** to promote a healthy ecosystem and environmental awareness

Areas of Interest

Front-End Development, Interactive Web Applications, Personal Productivity Tools, Responsive Design, UI/UX, Git Deployment

Soft Skills

- Strong communication and collaboration
- Leadership and mentoring mindset
- Initiative-driven and socially responsible

Declaration: I hereby declare that the above information is true to the best of my knowledge.
